

Traveling from the North

When traveling from the North on State Highway 1 you'll come to the top of a big hill, as it is about to descend into Taupo. Huka Falls Rd is on the left (brown sign), take the next road on the right, which is Poihipi Rd (0 km). Travel short distance and turn left onto 'Acacia Bay Rd' (0.3 km). Stay on Acacia Bay Rd as it winds through a residential area, travel straight through the roundabout, straight through the Give Way sign (1.3 km), go past a small shopping center on right and continue on that road for a while through a rural area which is a 100km/hour zone. You'll then see big 50km zone signs (4.6 km) and then the Acacia Bay Nursery, a restaurant & dairy on your left. Still follow the road until you come to the 3rd road (5.0 km) on the left which is still Acacia Bay Rd. Follow that towards the lake, we are half way down the hill on the right hand side just before Besley Place.

Traveling from the South

When traveling from the South stay on State Highway 1, traveling along Lake Terrace (lake is on your left & home of our famous trout), following road as it veers right through Taupo township, continue straight through the traffic lights (0 km) and then left at the roundabout, over the bridge and turn left into 'Norman Smith St' (0.8 km). Wind up the hill and then round to the left and now you are on 'Acacia Bay Rd', go past a small shopping center on right and continue on that road for a while through a rural area which is a 100km/hour zone. You'll then see big 50km zone signs (4.8 Km) and then the Acacia Bay Nursery, a restaurant & dairy on your left. Still follow the road until you come to the 3rd road (5.2 km) on the left which is still Acacia Bay Rd. Follow that towards the lake we are half way down the hill on the right hand side just before Besley Place.
